

a. Baby Just Cares For Me Royal Society Jazz Orchestra

Baby cares for
My baby cares for
My baby cares for
My baby cares for only me
 Baby just, baby just, baby just cares for
 Baby just, baby just, baby just cares for
 Baby just, baby just, baby just cares for me, oo-wee

Everybody loves my baby
Baby cares for only me
 My babe I sigh for
 My pretty baby I'd die for
 'Cause my babe don't love nobody but me...I'm so happy

b. The Rhythm Of Life

Sammy Davis

Go, go, go Daddy-oh
Tell me all I need to know

Yes the rhythm of life is a powerful beat,
Puts a tingle in your finger and a tingle in your feet,
Rhythm in the basement,
Rhythm in the street.
Yes, the rhythm of life is a powerful beat

To feel the rhythm of life,
To feel the powerful beat,
To feel the tingle in your finger,
To feel the tingle in your feet

6b. Moonlight and Roses

Jim Reeves

Moonlight and roses
Bring wonderful mem'ries of you
My heart reposes
In beautiful thoughts, so true.

June light discloses
Love's golden dreams sparkling, anew
Moonlight and roses
Bring mem'ries of you.

--- oeh.....---

June light discloses
Love's golden dreams sparkling, anew
Moonlight and roses
Bring mem'ries of you...

4. De Noorse bruiloft

Noors lied

onder gedonder
stortend naar onder
woest woelt het water
machtig en puur
oeroude bomen
krachtige stromen
zingen in de natuur

kom speel viool en blaas de schalmei
vier met muziek de bruiloftspartij
zingende snaren, dansende paren
feesten in de natuur

ruggen gebogen
bloedrode ogen
rauw zijn de stemmen
laat is het uur
trollen en dwergen
komen van bergen
zingen een lied vol vuur

sla op het hout en kras in de lei
vier met lawaai de bruiloftspartij
lelijke gnomen mogen ook komen
kom schaar je rond het vuur

Vikingen namen
toen zij hier kwamen
prachtige schatten al met zich mee
machtige strijders
waren hun leiders
zwierven al over zee

dood is hun lichaam levend de geest
dit wordt een feest als nooit is geweest
hoor je ze schreeuwen krijsende meeuwen
en 't ruisen van de zee

10. I Can't Help Falling In Love *reggae*

allen: Wise men say
only fools rush in.
But I can't help falling in love with you
Shall I stay?
Would it be a sin?
If I can't help falling in love with you

dames: Like a river flows
surely to the sea.
Darling so it goes.

allen: Some things are meant to be.
Take my hand, take my whole life too.
For I can't help falling in love with you.

dames: Like a river flows
surely to the sea
Darling so it goes.

allen: Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

For I can't help falling in love with you

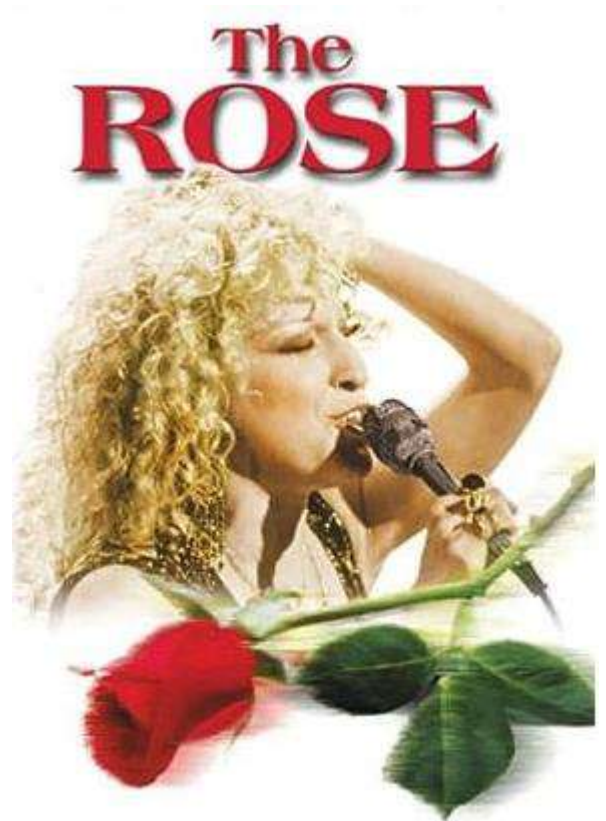

18. The Rose

Janis Joplin / Betty Midler

Some say love, it is a river
That drowns the tender reed.
Some say love, it is a razor
That leaves your soul to bleed.
Some say love, it is a hunger,
An endless aching need.
I say love, it is a flower,
And you it's only seed.

It's the heart afraid of breaking
That never learns to dance.
It's the dream afraid of waking
That never takes the chance.
It's the one who won't be taken,
Who cannot seem to give,
And the soul afraid of dying
That never learns to live.

When the night has been too lonely
And the road has been too long,
And you think that love is only
For the lucky and the strong,
Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose.

33. Summertime

George Gershwin

middenstem

alten + sopranen

Summertime,
And the livin' is easy
Fish are jumpin'
And the cotton is high

Oh, your daddy's rich
And your mam's good lookin'
So hush little baby
Don't you cry

One of these mornings
You're gonna ri-ise up singing
Then you'll spread your wings
And you'll take to the sky

But till that morning
There's a'nothing can harm you
With daddy and mammy standing by

Summertime is on the way
Easy living every day
All the fish are jumping high
Cotton growing to the sky

Daddy's living mighty high
Mamma's looking sweet as pie
Hush little baby
Don't you cry

Of these mornings far away
Gonna sing and greet the day
Spread your pretty little wings
And discover many things

But until the time is nigh
Dry your eyes and don't you cry
Daddy and mammy standing by

Summertime,

52. Brazil 1 x Engels en 1 x Nederlands

Brazil, where hearts were entertaining June
Brazil, daar schijnt de zon de hele dag

We stood beneath an amber moon
En er is niets dat daar niet mag

And softly murmured "Someday soon"
En altijd weer die gulle lach

We kissed... and clung together
Van jou ja altijd vrolijk

Then.....tomorrow was another day
Daar.....daar op dat mooie warme strand

The morning found me miles away
Je voeten in het zachte zand

With still a million things to say
Wat is het toch een heerlijk land

Now, when twilight dims the sky above
Kijk, daar staan we aan de oceaan

Recalling thrills of our love
We zullen vast vaker gaan

There's one thing I'm certain of
Fijn dat het ons zo beviel

Return, I will to old Brazil
Daar in, dat land, Brazil Brazil

54. Fly me to the moon

Bart Howard

Fly me to the moon and let me
play among the stars
Let me see what spring is
like on Jupiter and Mars
In other words, hold my hand
In other words, darling kiss me

Fill my heart with songs
and let me sing for ever more
You are all I long
for all I worship and adore
In other words please be true
In other words, I love you

Kijk daar staat de maan die staat een
heel eind hier vandaan
Toch zijn daar al eens wat
astronauten heen gegaan
die vonden er, niet veel aan
en zijn maar snel weg gegaan

Ja wij zingen graag
een lied over de volle maan
Vol van romantiek
Zien wij haar aan de hemel staan
Ben je verliefd, kijk maar goed
De maan die weet, hoe dat moet

55. What a Wonderful World

Bob Thiele

Intro: Wonderful World -start heren

I see trees of green red roses too
I see them bloom for me and you
And I think to myself what a wonderful world

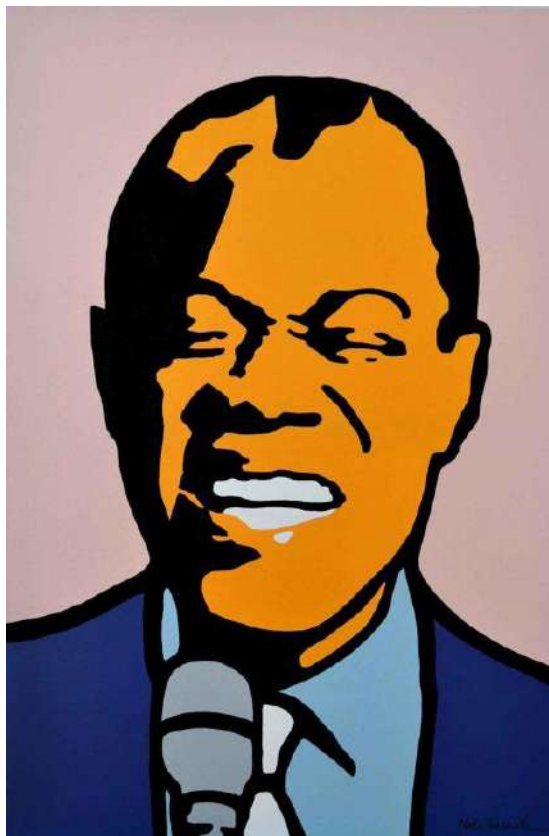

I see skies of blue and clouds of white
The bright blessed day the dark sacred night
And I think to myself what a wonderful world

The colours of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying how do you do
They really saying I love you

I hear babies cry I watch them grow
They´ll learn much more than I´ll ever know
And I think to myself what a wonderful world
And I think to myself what a wonderful world

56. Musical Potpourri -Engels

All of me....why not take all of me
Can't you see I'm no good without you
Take my lipsI want to lose them
Take my arms....I'll never use them

Your goodbye...left me with eyes that cry
How can I go on dear without you?
You took the part...that once was my heart
So why not take all of me
So why not take all of me

Hello Dolly,.....well, hello, Dolly
It's so nice to have you back where you belong
You're lookin' swell, Dolly.....we can tell, Dolly
You're still glowin'...you're still crowin'...you're still goin' strong

I feel the room swayin'.....while the band's playin'
One of your old favourite songs from way back when
So..... take her wrap, fellas.....find her an empty lap, fellas
Dolly you 'll never go away
Dolly you 'll never go away
Dolly you 'll never go away again

She gets too hungry, for dinner at eight
She likes the theatre and never comes late
She never bothers, with people she'd hate
That's why the lady is a tramp

Doesn't like dice games, with barons or earls
Won't go to Harlem in ermine and pearls
Won't dish the dirt with the rest of the girls
That's why the lady is a tramp

She loves the free, cool wind in her hair
Life without care
She's broke, and it's oak
Hates California, it's cold and it's damp
That's why the lady
That's why the lady
That's why the lady is a tramp

59. Those Were The Days

(Mary Hopkin)

Once upon a time there was a tavern
Where we used to raise a glass or two
You know how we laughed away the hours
Dreamed of all the great things we would do

Those were the days my friend
We thought they never end
We'd sing and dance forever and a day
We'd live the life we choose
We'd fight and never lose
for we were young and sure to have our way

la la la lai la la
la la la lai la la

Those were the days, oh yes those were the days

piano solo.....

Just tonight I stood before the tavern
Nothing seemed the way it used to be
In the glass I saw a strange reflection
Was that lonely person really me

Those were the days my friend
We thought they never end
We'd sing and dance forever and a day
We'd live the life we choose
We'd fight and never lose
for we were young and sure to have our way

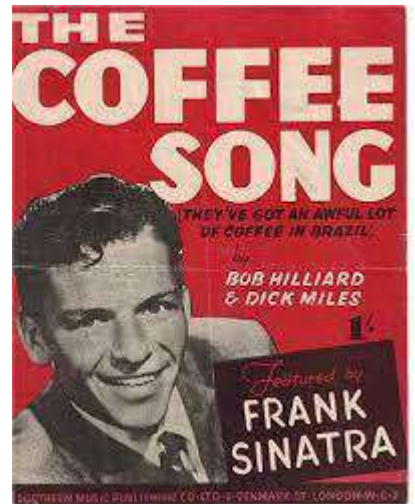

Those were the days my friend
We thought they never end
We'd sing and dance forever and a day
We'd live the life we choose
We'd fight and never lose
for we were young and sure to have our way

60. The Coffee Song

Piano solo intro

Way down among Brazilians
Coffee beans grow by the billions
So they've got to find those extra cups to fill
They've got an awful lot of coffee in Brazil

You can't get cherry soda
'Cause they've got to fill that quota
And the way things are I'll bet they never will
They've got a zillion tons of coffee in Brazil

No tea or tomato juice heren echoën het onderstreepte
You'll see no potato juice
'Cause the planters down in Santos all say no no no

The politician's daughter
Was accused of drinking water
And was fined a great big fifty-dollar bill

61. Top of the world

Carpenters

Piano intro (is the love that.....)

Such a feelin's comin' over me
There is wonder in most everything I see
Not a cloud in the sky, got the sun in my eyes
And I --- won't be surprised if it's a dream

Everything I want the world to be
Is now comin' true especially for me
And the reason is clear, it's because you are here
You're the nearest thing to heaven that I've seen

I'm on the --- top of the world lookin' --- down on creation
And the only explanation I can find
Is the love that I've found, ever since you've been around
Your love's put me at the top of the world

Piano plus la la la

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be, just the same for you and me
All I need --- will be mine if you are here

I'm on the --- top of the world lookin' --- down on creation
And the only explanation I can find

Even told the golden daffodils

When you dance you have a way with me
Stay with me sway with me

64. Sunny Side Shuffle

(heren) The sunny side the sunny side the sunny side of the street
Grab your coat and grab your hat
Leave your worries on the doorstep
Just direct your feet
On the sunny side of the street
Can't you hear a pitter-pat
And that happy tune is your step
Life can be so sweet
On the sunny side of the street

I used to walk in the shade
With those blues on parade
But I'm not afraid
This rover crossed over
If I never have a cent
I'll be rich as Rockefeller
Gold dust at my feet
On the sunny side of the street
The sunny side the sunny side the sunny side of the street

For every time it rains it rains Pennies from heaven
Don't you know each cloud contains Pennies from heaven
You'll find your fortune falling all over town
Be sure that your umbrella is upside down
Trade them for a package of sunshine and flowers
If you want the things you love
You must have showers
So when you hear it thunder don't run under a tree
There'll be pennies from heaven for you
Pennies from heaven for me
Pennies from heaven for you and me

Elvis

Heren zingen de melodie, dames zingen ho ho ho ho en wo wo wo.

It's now or never,
come hold me tight
Kiss me my darling,
be mine tonight

Tomorrow will be too late,
It's now or never,
my love won't wait.

When I first saw you,
with your smile so tender
My heart was captured,
my soul surrendered

I'd spend a lifetime,
waiting for the right time
Now that you're near,
the time is here at last.

It's now or never,
come hold me tight
Kiss me my darling,
be mine tonight

Tomorrow will be too late,
It's now or never,
my love won't wait.
