3. Jamaica Farewell

Harry Belafonte

Down the way
Where the nights are gay
And the sun shines daily on the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down
My head is turning around
I had to leave a little girl in Kingston Town

Down in the market you can hear
Ladies cry out as on their heads they bear
Ackie rice, salt fish are nice
And the rum is fine any time of year

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down
My head is turning around
I had to leave a little girl in Kingston Town

Sounds of laughter everywhere
And the dancing girls swings to and fro'
I must declare my heart is there
Though I've been from Maine to Mexico

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down
My head is turning around
I had to leave a little girl in Kingston Town

But I'm sad to say I'm on my way
Won't be back for many a day
My heart is down
My head is turning around
I had to leave a little girl in Kingston Town

Leave a little girl in Kingston Town
Leave a little girl in Kingston Town

4. De Noorse bruiloft

onder gedonder
stortend naar onder
woest woelt het water
machtig en puur
oeroude bomen
krachtige stromen
zingen in de natuur

kom speel viool en blaas de schalmei
vier met muziek de bruiloftspartij
zingende snaren, dansende paren
feesten in de natuur

ruggen gebogen
bloedrode ogen
rauw zijn de stemmen
laat is het uur
trollen en dwergen
komen van bergen
zingen een lied vol vuur

sla op het hout en kras in de lei
vier met lawaai de bruiloftspartij
lelijke gnomen mogen ook komen
kom schaar je rond het vuur

Vikingen namen
toen zij hier kwamen
prachtige schatten al met zich mee
machtige strijders
waren hun leiders
zwierven al over zee

dood is hun lichaam levend de geest
dit wordt een feest als nooit is geweest
hoor je ze schreeuwen krijsende meeuwen
en 't ruisen van de zee

5. Lean on me

Bill Withers

iedereen
Sometimes in our lives
We all have pain, we all have sorrow
But if we are wise
We know that there's always tomorrow

sopranen
iedereen
Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For, it won't be long
'till I'm gonna need
Somebody to lean on

Please, swallow your pride
If I have things, you need to borrow
For no one can fill, those of your needs
That you won't let show

You just call on me, brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

sopranen
iedereen
Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For it won't be long
'till I'm gonna need
Somebody to lean on

You just call on me, brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load
You have to bear that you can't carry
I'm right up the road, I'll share your load
If you just call me

6a. Morning comes so brightly (Keshet L'vana)

Josef Hadar

Morning comes so brightly
clear and fresh today.
Someone daily helps me
illuminate my way.

*Morning comes so brightly
clear and fresh today.
Someone daily helps me
illuminate my way.*

What shall we ask
while walking on the way?
What shall we ask
for quietly? What?

*What shall we ask
on the way?
What shall we ask
What?*

Just that the grass will stay green,
just that the sun keeps shining.
And with its light will stroke us,
you and me
Just that the grass will stay green,
just that the sun keeps shining.
And with its light will stroke us,
you and me

*Just that the grass will stay green,
just sun keeps shining.
And its light
you and me
Just that the grass will stay green,
just sun keeps shining.
And its light
you and me*

Bring mem'ries of you...

8. De zonzij van het IJ (lied over Noord)

Jef Hofmeister

Ooit fietsten onze vaders
Op de lange Meeuwenlaan.
In Noord gestaalde kaders
Om op de werf aan het werk te gaan.

Ooit zwaaiden hier de kranen
In de hoge blauwe lucht.
Toen hier nog schepen kwamen
Maar die tijd die komt niet terug!

Maar aan de zonzij van het IJ
Zal ooit de stad weer groeien.
Er zullen duizend bloemen bloeien
Aan de zonzij van het IJ.

La la la la la la la - la la la la la la
Er zullen duizenden bloemen bloeien
Aan de zonzij van het IJ.

Bouwers en creatieven
streken op de werf neer.
Zij verbleven liever
op de kades van weleer.

Wie daar eens kwamen kijken,
verveelden zich er nooit.
Dit stukje Amsterdam
weer dichterbij dan ooit.

Maar aan de zonzij van het IJ
Zal ooit de stad weer groeien.
Er zullen duizend bloemen bloeien
Aan de zonzij van het IJ.

La la la la la la la - la la la la la la
Er zullen duizenden bloemen bloehoeien
Aan de zonzij van het IJ.

9. You've Got A Friend

Carole King

When you're down and troubled
And you need some love and care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will, You've got a friend

If the sky above you
Should grow dark and full of clouds
And that old north wind should begin to blow
Keep your head together
And call my name out loud
And soon you'll hear me knocking upon your door

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will

solo *Now ain't it good to know that you've got a friend
When people can be so cold, they'll hurt you, and desert you
And take your soul if you let them, Oh, but don't you let them*

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will, You've got a friend
And I'll be there, yes I will, You've got a friend

10. I Can't Help Falling In Love

Elvis Presley

Wise men say
only fools rush in.
But I can't help falling in love with you
Shall I stay?
Would it be a sin?
If I can't help falling in love with you

Like a river flows
surely to the sea.
Darling so it goes.
Some things are meant to be.
Take my hand, take my whole life too.
For I can't help falling in love with you.

Like a river flows
surely to the sea
Darling so it goes.
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you

For I can't help falling in love with you

11. Ain't No Mountain High Enough

Marvin Gaye

solo: *Listen, baby*
Ain't no mountain high
Ain't no valley low
Ain't no river wide enough, baby

allen: If you need me, call me
No matter where you are, no matter how far

solo: *Don't worry baby*

allen: Just call out my name, I'll be there in a hurry
You don't have to worry

'Cause baby there ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you babe

Remember the day
I set you free, I told you you could always count on me
From that day on, I made a vow
I'll be there when you want me
Some way, some how

'Cause baby there ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you babe

sopranen: No wind, no rain, or winter's cold
Can stop me baby, Oh Baby (*Oh Baby*)

solo: { *'Cause you are my goal (goal)*

allen: { If you're ever in trouble, I'll be there on the double
Just send for me,

solo: *Oh baby!*
My love is alive, deep down in my heart
Although we are miles apart, if you ever need
A helping hand
I'll be there on the double
Just as fast as I can

allen: 'Cause baby there ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you babe

13. Het is stil in Amsterdam

Ramses Shaffy

1e stem

't Is stil in Amsterdam
De mensen zijn gaan slapen
nnnnnnnn nnnnnnnn
De auto's en de fietsen
zijn levenloze dingen
De stad behoort nu nog
Aan een paar enkelingen
Zoals ik
Die houden van verlaten straten
Om zomaar hardop
In jezelf te kunnen praten
Om zomaar hardop
te kunnen zingen
Want de auto's en de fietsen
Zijn levenloze dingen
Als de mensen zijn gaan slapen
nnnnnnnn nnnnnnnn nnnnnnnn
't Is zo stil in Amsterdam
En godzijdank
Niemand die ik tegenkwam

't Is stil in Amsterdam
De mensen zijn gaan slapen
nnnnnnnn nnnnnnnn
Ik steek een sigaret op
En kijk naar het water
En denk over mezelf
En denk over later
Ik kijk naar de wolken
Die overdrijven
Ik ben dan zo bang
Dat de eenzaamheid zal blijven
Dat ik altijd zo zal lopen
Op onmogelijke uren
Dat ik eraan zal wennen
Dat dit zal blijven duren
Als de mensen zijn gaan slapen
nnnnnnnn nnnnnnnn nnnnnnnn
't Is zo stil in Amsterdam
Ik wou dat ik nu eind'lijk

iemand tegenkwam!

14. All My Loving

the Beatles

Close your eyes and I'll kiss you,
Tomorrow I'll miss you;
Remember I'll always be true.
And then while I'm away,
I'll write home every day,
And I'll send all my loving to you.

I'll pretend that I'm kissing
the lips I am missing
And hope that my dreams will come true.
And then while I'm away,
I'll write home every day,
And I'll send all my loving to you.

All my loving I will send to you.
All my loving, darling I'll be true.

I'll pretend that I'm kissing
the lips I am missing
And hope that my dreams will come true.
And then while I'm away,
I'll write home every day,
And I'll send all my loving to you.

All my loving I will send to you.
All my loving darling I'll be true.

All my loving I will send to you.
All my loving darling I'll be true.

15. Bang Bang (My Baby Shot Me Down)

Nancy Sinatra

Solo: I was five and he was six
We rode on horses made of sticks
He wore black and I wore white
He would always win the fight
 Bang bang, he shot me down
 Bang bang, I hit the ground
 Bang bang, that awful sound
 Bang bang, my baby shot me down.

Koor: Seasons came and changed the time
When I grew up, I called him mine
He would always laugh and say
Remember when we used to play?
 Bang bang, (bang bang) I shot you down
 Bang bang, (bang bang) you hit the ground
 Bang bang, (bang bang) that awful sound
 Bang bang, (bang bang) I used to shoot you down (Dooooown)

{ *Sopranen:* Music played, and people sang. Just for me, the church bells rang.
{ *Koor:* Music... and sang. Just ... bells rang
{ *Sopranen:* Music played, and people sang. Just for me, the church bells rang.
{ *Koor:* Music... and sang. Just ... bells rang

Koor: Now he's gone, I don't know why
And 'til this day, sometimes I cry
He didn't even say goodbye
He didn't take the time to lie.
 Bang bang, (bang bang) he shot me down
 Bang bang, (bang bang) I hit the ground
 Bang bang, (bang bang) that awful sound
 Bang bang, (bang bang) my baby shot me down (Dooooown)

16. Het dorp

Wim Sonneveld

Thuis heb ik nog een ansichtkaart waarop een kerk een kar met paard
een slagerij J. van der Ven.

Een kroeg, een juffrouw op de fiets -het zegt u hoogstwaarschijnlijk niets,
maar het is waar ik geboren ben.

Dit dorp, ik weet nog hoe het was: de boerenkind'ren in de klas,
een kar die ratelt op de keien.

Het raadhuis met een pomp ervoor, een zandweg tussen koren door,
het vee, de boerderijen.

*En langs het tuinpad van m'n vader zag ik de hoge bomen staan.
Ik was een kind en wist niet beter, dan dat 't nooit voorbij zou gaan.*

Wat leefden ze eenvoudig toen in simp'le huizen tussen groen
met boerenbloemen en een heg.

Maar blijkbaar leefden ze verkeerd, het dorp is gemoderniseerd
en nu zijn ze op de goeie weg.

Want ziet, hoe rijk het leven is, ze zien de televisiequiz
en wonen in betonnen dozen,
met flink veel glas, dan kun je zien, hoe of het bankstel staat bij Mien
en d'r dressoir met plastic rozen.

*En langs het tuinpad van m'n vader zag ik de hoge bomen staan.
Ik was een kind en wist niet beter, dan dat 't nooit voorbij zou gaan.*

De dorpsjeugd klit wat bij elkaar in minirok en beatlehaar
en joelt wat mee met beatmuziek.

Ik weet wel, het is hun goeie recht, de nieuwe tijd, net wat u zegt,
maar het maakt me wat melancholiek.

Ik heb hun vaders nog gekend: ze kochten zoethout voor een cent,
ik zag hun moeders touwtjespringen.

Dat dorp van toen, het is voorbij, dit is al wat er bleef voor mij:
een ansicht en herinneringen.

*Toen ik langs het tuinpad van m'n vader de hoge bomen nog zag staan.
Ik was een kind, hoe kon ik weten dat dat voorgoed voorbij zou gaan*

17. Aan de Amsterdamse grachten

Wim Sonneveld

Aan de Amsterdamse grachten
Heb ik heel mijn hart voor altijd verpand
Amsterdam vult mijn gedachten
Als de mooiste stad in ons land

Al die Amsterdamse mensen
Al die lichtjes 's avonds laat op het plein
Niemand kan zich beter wensen
Dan een Amsterdammer te zijn

Er staat een huis aan de gracht in oud Amsterdam
Waar ik als jochie van acht bij grootmoeder kwam
Nu zit een vreemde meneer in 't kamertje voor
En ook die heerlijke zolder werd tot kantoor

Alleen de bomen, dromen, hoog boven 't verkeer
En over het water gaat er een bootje net als weleer

Aan de Amsterdamse grachten
Heb ik heel mijn hart voor altijd verpand
Amsterdam vult mijn gedachten
Als de mooiste stad in ons land

Al die Amsterdamse mensen
Al die lichtjes 's avonds laat op het plein
Niemand kan zich beter wensen
Dan een Amsterdammer te zijn

solo: { 'k Heb veel gereisd en al vroeg de wereld gezien
En nimmer kreeg ik genoeg van 't reizen nadien
Maar ergens bleef er een sterk verlangen in mij
Naar Hollands kust en de stad aan Amstel en IJ

Waar oude bomen dromen hoog boven 't verkeer
En over 't water gaat er een bootje, net als weleer

Aan de Amsterdamse grachten
Heb ik heel mijn hart voor altijd verpand
Amsterdam vult mijn gedachten
Als de mooiste stad in ons land

Al die Amsterdamse mensen
Al die lichtjes 's avonds laat op het plein
Niemand kan zich beter wensen
Dan een Amsterdammer te zijn

18. The Rose

Janis Joplin / Betty Midler

Some say love, it is a river
That drowns the tender reed.
Some say love, it is a razor
That leaves your soul to bleed.
Some say love, it is a hunger,
An endless aching need.
I say love, it is a flower,
And you it's only seed.

It's the heart afraid of breaking
That never learns to dance.
It's the dream afraid of waking
That never takes the chance.
It's the one who won't be taken,
Who cannot seem to give,
And the soul afraid of dying
That never learns to live.

When the night has been too lonely
And the road has been too long,
And you think that love is only
For the lucky and the strong,
Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose.

19. Killing me softly

Roberta Flack

I heard he sang a good song
I heard he had a style
And so I came to see him
And listen for a while
And there he was, this young boy
A stranger to my eyes

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly with his song

Solo Helen: I felt all flushed with fever
 Embarassed by the crowd
 I felt he found my letters
 And read each one out loud
 I prayed that he would finish
 But he just kept right on

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly with his song

Whoooo whooooo
Nananananananaaaaa
Whoooo nananana
Whoooo nananana
Naaaaaaaaaaaaaaaa

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly with his song

You had a hold on me
Right from the start
A grip so tight
I couldn't tear it apart
My nerves all jumping
Acting like a fool
Well, your kisses they burn
But my heart stays cool

Baby you can bet
A love they couldn't deny
My words say split
But my words they lie-ie
'Cause when we kiss Ooooh, fire!

22. Mens, durf te leven!

Dirk Witte

Je leeft maar heel kort, maar een enkele keer
En als je straks anders wilt, kun je niet meer
Mens durf te leven

Vraag niet elke dag van je korte bestaan:
Hoe hebben m'n pa en m'n grootpa gedaan?
Hoe doet er m'n neef en hoe doet er m'n vrind?
En wie weet, hoe of dat nou de buurman weer vindt?
En - wat heeft 'Het Fatsoen' voorgeschreven?
Mens, durf te leven!

De mensen - ze schrijven je leefregels voor
Ze geven je raad en ze roepen in koor:
Zo moet je leven!

Met die mag je omgaan, maar die is te min
Met die moet je trouwen - al heb je geen zin
En daar moet je wonen, dat eist je fatsoen
En je wordt genegeerd als je 't anders zou doen
Alsof je iets ergs had misdreven
Mens, is dat leven?

Aha a a *(driestemmig)*

Het leven is heerlijk, het leven is mooi
Vlieg uit in de lucht en kruip niet in een kooi
Mens, durf te leven

Je kop in de hoogte, je neus in de wind
En lap aan je laars hoe een ander het vindt
Hou een hart vol van warmte en van liefde in je borst
Maar wees op je vierkante meter een Vorst!
Wat je zoekt, kan geen ander je geven
Mens, durf te leven!

Mens: durf te leven!

Oh when the sun beats down and burns the tar up on the roof
And your shoes get so hot you wish your tired feet were fire proof
Under the boardwalk, down by the sea-e-e-e-yeah
On a blanket with my baby is where I'll be

(Under the boardwalk) we'll be havin' some fun
(Under the boardwalk) people walking above

28. Brown-eyed Girl

Van Morrison

Hey where did we go,
Days when the rains came
Down in the hollow, playin' a new game,
Laughin' and a runnin' hey, hey
Skippin' and a jumping
In the misty morning fog with
Our, our hearts a thumpin' and you
My brown eyed girl,
You my brown eyed girl.

Whatever happened
To Tuesday end so slow
Going down the old mine with a transistor radio
Standin' in the sunlight laughing,
Hiding 'hind a rainbow's wall,
Slipping and sliding, hey, hey
All along the waterfall, with you
My brown eyed girl,
You my brown eyed girl.

Do you remember when... we used to sing,
Sha la la la la la la la la la te da
Sha la la la la la la la la la te da
La te da

So hard to find my way,
Now that I'm on my own.
I saw you just the other day,
My, how you have grown,
Cast my mem'ry back there, Lord
Sometimes I'm thinking 'bout
Laughin' and a runnin' hey hey
Behind the stadium with you
My brown eyed girl
You my brown eyed girl

Do you remember when we used to sing
Sha la la la la la la la la la te da
Sha la la la la la la la la la te da
Sha la la la la la la la la la te da
Sha la la la la la la la la la te da

30. Bad Moon Rising

Creedence Clearwater Revival

I see the bad moon arising.
I see trouble on the way.
I see earthquakes and lightnin'.
I see bad times today.

Don't go around tonight,
Well, it's bound to take your life,
There's a bad moon on the rise.

I hear hurricanes ablowing.
I know the end is coming soon.
I fear rivers over flowing.
I hear the voice of rage and ruin.

Don't go around tonight,
Well, it's bound to take your life,
There's a bad moon on the rise.

Hope you got your things together.
Hope you are quite prepared to die.
Looks like we're in for nasty weather.
One eye is taken for an eye.

Don't go around tonight,
Well, it's bound to take your life,
There's a bad moon on the rise.
Don't go around tonight,
Well, it's bound to take your life,
There's a bad moon on the rise.

32. Sound of Silence

Simon & Garfunkel

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence

In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence

And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dared
Disturb the sound of silence

"Fools", said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you"
But my words, like silent raindrops fell
And echoed
In the wells of silence

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said,
"The words of the prophets are written on the subway walls
And tenement halls"
And whispered in the sounds of silence

34. You Are The Sunshine Of My Life

Stevie Wonder

You are the sunshine of my life
That's why I'll always be around,
You are the apple of my eye,
Forever you'll stay in my heart

I feel like this is the beginning,
Though I've loved you for a million years,
And if I thought our love was ending,
I'd find myself drowning in my own tears

You are the sunshine of my life,
That's why I'll always stay around,
You are the apple of my eye,
Forever you'll stay in my heart

You must have known that I was lonely,
Because you came to my rescue,
And I know that this must be heaven,
How could so much love be inside of you?

You are the sunshine of my life, yeah,
That's why I'll always stay around,
You are the apple of my eye,
Forever you'll stay in my heart

You are the sunshine of my life, yeah,
That's why I'll always stay around,
You are the apple of my eye,
Forever you'll stay in my heart

40. Welcome home

Radical Face

Aah

Sleep don't visit, so I choke on sun
And the days blur into one and the backs of my eyes
Hum with things I've never done

Sheets are swaying from an old clothesline
Like a row of captured ghosts over old dead grass
Was never much but we made the most

Welcome home, home

Ships are launching from my chest
Some have names but most do not
If you find one, please let me know what piece I've lost

Peel the scars from off my back
I don't need them anymore
You can throw them out or keep them in your mason jars

I've come home, home

All my nightmares escaped my head
Bar the door, please don't let them in
You were never supposed to leave
Now my head's splitting at the seams
And I don't know if I can

Aah

Here, beneath my lungs, I feel your thumbs press into my skin again

Aah

Welcome home, home
